

**▶ Wednesday, May 26<sup>th</sup>, 2021****Webinar → 5 p.m. to 6 p.m. Europe/Paris**

## ▶ Robotics and endoscopic ear surgery

### Introduction

[Meeting link ▶ Click here](#)

- Pr Mohamed Badr-El-Dine (*President of the IWGEES, President of the Egyptian Society of Skull Base Surgery*)
- Pr Vincent Couloigner (*Secretary-General SFORL, Paris, France*)
- Mr Nicolas Prévost (*CEO Collin SAS, Bagneux, France*)

### ▶ RobOtol® assisted endoscopic surgery : feedback on the first patients

- Pr Yann Nguyen (*Paris, France*)

### ▶ Endoscopic otosclerosis surgery - What more with the endoscope ?

- Pr Hassan Chelly (*Casablanca, Morocco*)

### ▶ Thermal safety of endoscopic usage in robot-assisted middle ear surgery: an experimental study

- Pr Hao Wu (*Shanghai, China*)

### ▶ Robotic tympanoplasty - Early cases and Team Learning curve

- Pr Remi Marianowski (*Brest, France*)

### ▶ New developments in robotic endoscopy

- Mr Stéphane Mazalaigue (*Bagneux, France*)

### Conclusion

- Pr Vincent Couloigner
- Pr Mohamed Badr-El-Dine
